PRESIDENT'S MESSAGE

John Cinosky

"You get out of it what you put into it."

That was said to me by the best coach I had as a teenager. It has always been true my entire life. That said, we, the Board of Trustees, would like to thank each and every volunteer to our committees and clubs. It is you who are the lifeblood of Lions Head South.

The first step to getting involved is to attend ACC and resident meetings. You'd be amazed at how nice the people in Lions Head are, and you can find out what is going on in YOUR community. You'll also get a lot of information before it comes out in the Pride. You can also ask questions. If we don't know the answer, we make it up (only kidding!). I obviously mean we'll get you the information. Also, like any neighborly gathering, the hospitality committee will serve you coffee and cake. So please give it a try. Stop by the office or call to inquire, and pick a committee or club where you can make a difference.

In other news, a rendering of the proposed pool will be displayed shortly in the clubhouse lobby. The pool is open now, so enjoy!

EDITORIAL

Linda LaFerrera

Hello Lions Head South! If that sounds familiar to you, you're right! I'm using my Sunday night robocall greeting to let you know that I have the privilege this month to be the acting editor for this edition of the Lions Pride while Carol Powell is taking a well-deserved pause from her duties as editor. The Pride is such an important tool in getting out the information that keeps us all informed about the happenings here in Lions Head South, and it's my pleasure to be back as an editor to help bring those messages to you.

It goes without saying that the joys of summer have arrived in our community! The pool is open, outdoor activities are in full swing, and the delicious aromas of barbecues with family and friends permeate the air. It's wonderful to be able to spend time in our gardens or to take a walk in the fresh air or to just sit on our patios and share time with those whose company we enjoy. Life is certainly good around here, and we owe a debt of gratitude to those who work so diligently to make it so.

We hope you take the time to read the articles and flyers, and to check out the photos from our special events. There are so many opportunities in Lions Head South to have fun and to meet new friends. Our hard-working volunteers provide all the possibilities for your enjoyment, so come on out and have fun!

LHS WOMEN'S CLUB

Mardell Halm and Carol Powell

Summer begins in full swing over the next few weeks. Barbecues, ice cream, picnics, pools and beaches, not to mention all that family time outdoors. "These are a few of my favorite things."

Our April "Special" Fashion Show was a hit, for both the participants and the audience. Kudos to our models who not only posed but designed their own costumes. Big thanks to all: Linda Parlock, Mardell Halm, Marie Maffei, Rose Szpara, Joyce DiGuglielmo, Dolores Angarano and Ginger Meagher. You are all amazing!

May should be quieter with a visit from Shorrock Gardens staff. In the past, these visits have proven to be informative and often fun, accompanied by a delicious lunch.

Don't forget to watch for the details of our upcoming luncheon at Brooklyn Bistro in Toms River. I don't think anyone will be disappointed with the food and we know the company is the best.

So goes another month. If you haven't joined the Women's Club yet you are missing out! If you have, and have not paid your dues, please do so. Judy, our Treasurer, does a terrific job and it helps her out a lot if everyone pays what's owed as soon as possible.

Don't yet know if there will be a July or August article as the group will be taking a summer break for those months, so have a happy and healthy summer and we'll "see you in September".

See photos on page 8

Hello Lions Head South Residents. This month we have the Mayor of Brick, Lisa Crate, coming to speak at the Residents Meeting on June 12, 2023. COUNTRY CLUB

Phil DeCarlo

Moving to spring and approaching summer! We are definitely making progress at achieving our team-building goals. Lions Head Country Club is organized and committed to providing its members and clients with a challenging and yet relaxed golf venue. We hope that the love of the sport, and a time of healthy and well deserved camaraderie will add to their lives.

And, as previously noted, here are two comments from our Board members:

From Ken Rott: Please consider using our sponsors. These are local businesses who have contributed to our course by having their names throughout the course tees. There is a list of sponsors located on the bulletin board in the clubhouse and outside on the deck, and also on the website. Some of the sponsors are: Ninos Coal Fired Pizza, Meemom's, Ocean Auto Tech, and Prestige Lighting, to name a few.

And next from our First Vice President, Bob Jani: Lions Head Country Club is in great shape! Grass is growing on the fairways, and greens have been cut and groomed. Course clean up continues with debris, leaves, and pinecones removed by our superintendent, Dave. Our country club deck has been completed and looks fantastic.

We evaluate the course conditions daily, and it may be necessary to close our course after heavy rain to allow the water to recede. It is our objective to maintain the best possible course conditions and we ask for your understanding in our efforts. Please remember to fix ball marks, repair divots and allow faster players to play through, and please use trash cans!

As previously noted, I stand by the slogan of TEAM, "Together, everyone achieves more". To that end, we have added two members to our advisory team: Bill Begley and Tony Bruzaitis. They will add their expertise in support of events and information technology.

And last, but not least, our computer system is installed, the 5th tee is complete and the deck is finished.

My thanks to everyone at Lions Head Country Club and let's enjoy our wonderful course.

GARDEN CLUB

Carmela Ferraro

“Change is a beautiful thing,” said the butterfly.

Hasn't it been a lovely spring so far? Such a beautiful display of the pinks and whites of the early blossoms: Pear, Crabapple, Plum, Cherry – a veritable fruit bowl. And don't forget the yellow forsythia, the purple, red or white azaleas, lavender wisteria, purple lilac and the white or pink dogwood. “Spring has truly sprung.”

Sadly, our plans for a butterfly garden have been temporarily delayed because of the planned pool renovations. When the pool is completed and the area restored, we will continue with those plans.

BUTTERFLIES AND POLLINATORS:

- If you planted your milkweed seeds, you should be seeing nice growth. Keep an eye out for eggs on the leaves. If you have obtained a butterfly cage, you can remove leaves and eggs and place them in a warm sunny place to continue their life cycle or you can contact Lucy Coburn or Carmela Ferraro so they can be transported to someone who will continue their growth.
- The milkweed plant is the only food for the monarch butterfly.
- Hummingbirds are back. Be sure to keep those feeders clean and replace liquid food often.
- No need to remind you to keep those bright colored flowers available to attract pollinators.
- FYI: Apple, almond, and cherry trees are dependent on bee and butterfly pollination. No pollinating, no almonds.

As of June 21, summer will officially be here. It's that wonderful time of year for relaxing, enjoying the long days and those beautiful flowers that love the sun. Your Garden Club works to see that our community has its share of those beautiful flowers for all to enjoy.

The following are some familiar and easy to grow suggestions for you to add to your garden which will give you color and attract those butterflies and other pollinators without requiring too much care.

Marigold - It's hard to find a flower that's more cheerful than the classic marigold. Popular with gardeners coast to coast, they are one of the easiest (and most beautiful) annuals to grow. These dense, compact flowers can range in color from pale yellow to deep orange, making a spectacular addition to pots, baskets, and borders or simply scattered throughout the garden. They are a turn-off for deer. Seeds can be planted directly outdoors and will sprout in about one week. They do take a while to reach full bloom, so started plants from your garden center might be a better choice.

Black-eyed Susan - Beloved by pollinators, Black-eyed Susans generally bloom from June to August, displaying their golden-yellow beauty. A deer-resistant wildflower, it can be added anywhere in your garden for a burst of color. They are a self-seeding perennial and will

bloom year after year with little or no care. This can result in the overtaking of other nearby flowers so thin growth accordingly.

Zinnia - In summer, gardening requires plants with three key qualities: Low maintenance (it's hot out there), heat and drought tolerance (ditto), and brilliant color (the brighter the better). Zinnias fit the bill on all three counts, and more. In fact, they're one of the best flowers that smart gardeners can put to work in their gardens. Zinnias are annuals which will provide seed yearly and come in various heights. They are butterfly magnets and one of the best deer resistant flowers you can add to your garden.

Verbena, lantana and hibiscus are some other selections. Check with your local garden center for more suggestions and what works best for you.

There are a myriad of health benefits from gardening, including reducing stress levels, improving mental focus, increasing physical activity and much more ... not to mention sitting back and enjoying the fruits of your labor from attracting pollinators to enjoying a bouquet of cut flowers from your very own garden.

TIPS FOR JUNE GARDENERS:

- Remove spent flowers from annuals, pinch back leggy plants and apply slow-release fertilizer.
- Give a mid-summer application of fertilizer to peonies (be careful if you previously used a time-release fertilizer).
- Clematis and wisteria vines should be trimmed back after they bloom.
- Check roses for black spot and powdery mildew. Treat accordingly.
- Help control mosquitoes: by cleaning birdbaths frequently.

Your Garden Club continues to provide color and beauty to our surroundings. We meet on the second Wednesday of each month. Our next meeting is June 14, in the Lion's Den at 10:30 AM. We'd love to have you join us and consider being a part of this busy group.

At this writing, we are working on finalizing plans for our 4th of July Red, White & BBQ on Sunday, July 2 from noon to 5pm at the pool. We are hoping to have burgers, hot dogs, salads and dessert, along with some fun and games, for \$10 per person. More details will be announced on our social committee website and bulletin board, as well as in the robocalls. Tickets will be sold Mondays in June. This event will be held indoors if the weather doesn't cooperate.

Everyone looked fabulous, too! Congrats to our Prom Queen, Ann Brennan, and King, Pat Adams! And a HUGE thank you to my amazing Social Committee members for all you do!

Looking forward, please save the date for our Halloween Party on Saturday, October 28th.

WELCOMING COMMITTEE

Rosemarie Ferrainolo

Hello Lions Head South residents. As we welcome spring so, too, did we welcome our new residents at a "Meet and Greet" in the Lions Den on April 20th last month. Some new residents who moved into our community since October 1st of 2022 were in attendance and the meeting had a favorable outcome overall. Our format was changed since our last get-together and it seemed to be a more informative evening for all involved.

Most committee chairpersons attended and gave a brief explanation of their club or committees' role in our community, along with brief statements from our LHS Trustees. A tour of the clubhouse and library was offered to anyone who was interested, Private discussions of the various clubs and committees took place and of course new friendships were begun.

Refreshments were available and a raffle took place with a new resident as the designated winner.

Thank you to all our Trustees, Chairpersons, Office and Maintenance Staff, our dedicated Welcome Committee and the residents who attended for helping to make this a successful evening.

If you could not attend and have any questions or concerns, I can be reached at 732-903-7309.

SECURITY COMMITTEE

Maryellen Klotz

Now that summer is beginning, just a few reminders to enjoy it safely!

Grill safety: According to the National Fire Protection Association, fires caused by outdoor grills and barbecues in the US average about 8,700 per year, not to mention an average of 19,000 patients who go to the emergency room for burns and other grilling related incidents yearly.

Grill location: Place your grill at least 10 feet from your house. Never place it under overhangs, awnings or near trees, tablecloths, lawn decorations, or anything else that could potentially catch fire. Set up your grill on a flat, level surface.

Don't turn on the gas while the grill is closed! Always open up the lid before turning on the propane tank so the gas dissipates on your grill before you light it. If you don't you will create a fireball once you hit the igniter switch and open the lid.

Never leave a grill unattended. Once you start the grill, make sure you can be around to finish the cooking. Remember to keep kids and pets far away from the grill - may seem like common sense but if you're entertaining a crowd - it is easy to get distracted.

Clean your grill regularly. Each time you use your grill, clean it before using and ALWAYS clean AFTER you use it. Cleaning away grease and other buildup prevents flare-ups.

Check your grill for problems. It's not uncommon for grills to develop propane leaks or similar problems.

Check all gas lines by placing a little bit of soap water on potential problem spots to check for leaks. If you have a gas leak, it's time to fix or replace your grill.

Be ready to put out a fire. Anytime you're dealing with fire, be prepared to put it out. Keeping a box of baking soda nearby is a good option for putting out a grease fire. You can also use a fire extinguisher. Make sure you know how to use it and that it's in working order. If you can't get your fire out, don't hesitate to call 911 for help.

Other gentle reminders, please pick up after your pets, don't litter with cigarette butts and leave plenty of room in front of mailboxes - TREAT YOUR NEIGHBORS THE WAY YOU WANT TO BE TREATED!

LIBRARY

Janet Pedersen

June is here and the first day of summer 2023 is right around the corner. Why not spend some time on your porch or patio, sitting outside, or poolside enjoying a book or magazine selected from our very own Lions Head South free lending library? Our large variety of hardcover books, paperbacks, condensed books, large print books, cookbooks and magazines can be borrowed at any time without the need to sign anything out.

Our LHS Library Committee would also like to suggest setting up a jigsaw puzzle from the library selection on your porch or dining room table to work on during the extended sunshine of the summer season. Relaxing with a borrowed movie, DVD or audio book is also an option open to our residents. Please feel free to utilize these many free items to make your summer more enjoyable.

The complimentary Lions Head Library is just a short walk or car ride away and is available to all residents from 8:30am to 10:30pm daily.

Here's wishing everyone a happy, safe and healthy summer season!

THE RECIPE BOX

Sue Auer

Summer, we have all waited patiently ... the 3rd season of the year! Wednesday, June 21st is the longest day of the year, when the sun reaches directly over the Tropic of Cancer. In very early times, Greeks, Romans & Pagans chose to honor summer with many different types of festivals.

One of the most popular holiday celebration in the U.S. is "FATHER'S DAY", the 3rd Sunday in June. The founders, Sonara Smart Dodd and her five brothers, named this special day for their dad, a Civil War veteran who raised her and her siblings on his own.

Many celebrate with family and friends in the USA with a SPECIAL BBQ for DAD!

****Friends of LHS have sent the following recipes for a Father's Day get together****
