

Greetings and thank you for taking time to read this. My name is Peggy Comfort and I have lived in Lions Head South for 15 years. Although I was working when I moved here, I was able to get involved in our community by attending meetings, joining the Recreation Committee which met in the evening and served as treasurer to our Activities Coordinating Committee. Upon retiring in 2020 I ran for the Board of Trustees and was elected to two terms from January 2021 through December 2024. I found being a member of our Board of Trustees to be an educational and rewarding experience while extremely time consuming so I decided to take some off and stayed involved by joining various committees. I feel called to run for the Board of Trustees at this time as I am refreshed and ready to share my time and skills with our community. Some of these skills are the ability to attentively listen to others and remain open to their ideas and views; I have strong organizational skills which allow me to work with others on both small and large projects. My goal is to use my time, experience and skills for the good of our community and to hopefully by example, guide our community to respectfully disagree. Conflicts are a part of life; however, I believe our conflicts should not divide us but enlighten us.
