PRESIDENT'S MESSAGE

John Cinosky

Greetings All! I am constantly reminded of what a terrific community we live in. It is well maintained, and the residents take pride in our appearance. But what makes us special is the caring we do for one another. Being in the clubhouse more often these days, I have noticed some of our residents could use some extra special help. Karen in our office is front and center in dealing with our residents who require some special care. We are fortunate to have such a caring person on our staff.

So, if you or any or any of your friends or neighbors, know of anyone who requires some TLC, please let Karen know and, please give a short synopsis of the persons needs or issues.

We through Gregg and Laurie Sternberg and the Circle of Friends, can arrange rides, meals and may be able to direct our people in need as to where help can be gotten. Ascension Church even has a pantry for those who many need proper food.

We have a new LHCC President, Phil DeCarlo and new LHCC 1st Vice President, Robert Jani. Good Luck Guys.

EDITORIAL

Carol Powell

Hello Lions Head South! Do you believe winter is almost over. Writing this, at the beginning of February, the winter of 2023 has been very good to us so far. A couple of cold snaps but no snow other than a slight coating last week. Here's hoping that when you read this, things have not changed. I don't know about you, but I fear I have outgrown snow!

Hope you are enjoying your "down time", that period between the holidays and spring activities. For me, it's a great time to catch up on a good book or make those phone calls I keep putting off. My husband and I sometimes spend an afternoon with a cup of coffee, a couple of cookies and a movie that we've been meaning to watch.

Once again, I would like to thank all of the contributors who make the Lions Pride what it is every month. I would also like to remind all that contributions are always welcome, remember, pet pictures or stories that you would like to share, etc. You do not need to be a board member or committee chair to contribute.

So, to all who are, or become Irish on St. Patrick's Day, enjoy the corned beef and cabbage and/or green beer, or however you celebrate. Most important, of course, is the family and friends you celebrate with.

As always, stay safe and most important, stay well!

In the interim Pat Whyte was tremendous in her efforts in keeping the golf course on schedule.

I would like to offer a special thanks to Peggy Comfort, BOT County Club Liaison, for all her time, energy, and hard work during the transition.

In other news, bids will be going out shortly to contractors in effort to get to the next step in our pool reconstruction. Updates as we have them.

CLUBHOUSE COMMITTEE

Michael Voto

Hi Everyone - My name is Michael Voto, the new Chairman of the Clubhouse Committee. We've had our first and second meetings of the year. So far we've accomplished the following: There was a thorough cleaning of the kitchen and art room. Six new card tables have been purchased for use in the clubhouse. In the near future we are hoping to settle on new chairs for the billiard room. Our main goal for this year is to continue a deep cleaning of the remainder of the rooms. We are also looking into the painting of both the men's and women's restrooms.

Please be advised that as of March 31st, all the remaining hanging coats in the lobby closet will be donated to a local charity. Please check if you or a friend is missing a coat. Also, please remember to place any donated food items in the bins in the lobby closet. Non-perishable items only, and don't forget the dogs and cats.

If you have any suggestions, questions or concerns, please call me at any time. Mike Voto: (917) 921-6716. I look forward to seeing all of you over the next several months.

GARDEN CLUB

Submitted by Clare Mathiasen

IT'S BACK!! SPRING THAT IS. Nature awakens and gardeners become motivated. Even though March is a very unpredictable month there are things you can do.

- Remove last year's growth from perennial beds.
- Cut back ornamental grasses that were not done last fall.
- Begin weeding if the ground has thawed enough.
- Remove leaves, sticks and fallen tree limbs.
- Start your seeds indoors or in cold frames.
- Propagate houseplants and tender perennials that were brought indoors.
- Plant trees and shrubs if the ground is workable and not frozen.
- Prune the rose bushes.

The Garden Club gets going this month with our first meeting on March 8th at 10:30a.m. There is a lot to accomplish: changing décor from winter to spring, checking garden damage from winter, spring garden assignments, summer watering schedule, plant selections, checking supplies, updating inventory and brainstorming our goals.

Over the past 6 years, the Garden Club has selected and accomplished a yearly project or an event. This year will be the installation of the Butterfly Garden. And, speaking of butterflies, if you received milkweed seeds at the Save the Monarch presentation last November, now is the time to refrigerate them for 30 days. Then plant them in a sunny place and water for at least two weeks. Remember or mark where they are planted so you don't mistakenly pull them when weeding. By the end of May or early June you will, hopefully, have full grown milkweed. Just in time for the arrival of the Monarchs.

The Month of March
Has just blown in,
To say that Spring
Will soon begin.

March roars in like a lion,
With a bluster and a slam!
And tiptoes out gently
Like a quiet little lamb.

Have you thought about growing fresh, nutritious vegetables? You have no backyard or green space to grow your own food, say you? **CONSIDER and PLAN NOW FOR CONTAINER GARDENING!** It is an easy, enjoyable way

to grow any vegetable on a windowsill, patio, doorstep or any space with sufficient sunlight and ease of care.

When making the decision to container garden, think about the same things you would be thinking about when gardening on a piece of land: healthy soil, adequate sunlight, enough water, good fertilizer, thoughtful pest management, and, of course, the types of containers you will use.

Any container can be used: buckets, baskets, wooden boxes, ceramic, terra cotta or plastic pots – to name a few. Five-gallon buckets are suitable for summer squash, tomatoes, peppers, bush beans and eggplant. 2-gallon size for vegetables like swiss chard, broccoli, radishes, cabbage & cauliflower, 4-6" deep container for lettuce, spinach and herbs. Don't forget to put drainage holes in the bottom of the container, line them with newspaper or coffee filters (keeps dirt in) before putting in a standard potting soil, then place them on bricks or blocks to allow free drainage. Match the type of plant you grow to the size of the container – Big plant? Think big pot!

Plan, Grow and Enjoy!

COUNTRY CLUB

Phil DeCarlo

We are opening another year at LHCC. As the newly elected president, I would like to express my sincerest appreciation and gratitude to Jim Mort for all your hard work over the years - and more important - the results.

Our superb group of volunteers - which is the strength of LHCC - follows: Susan Wiss, WGA President; Robert Jani, 1st VP; Dennis Raftery, 2nd VP; Marcene Talty, Director; Ken Rott, Director; Marjorie Kennedy, Treasurer; Iris Mahoney; Secretary; and Muriel Mills, Membership. Also, the Advisory Group whose wisdom and experience keeps us on the road to success: Joe Bill, Jack Cummings, Bea Scanlon; Pat Whyte, Ken Winnie and - of course - Peggy Comfort, Board Liaison. These are the volunteers who show up in print! The "others" are numerous and range from setting up the course for tournaments to making sure there is ice in the coolers and the food arrives! More on those volunteers next month! All said - but not finished - without Dave Moniz - Course Manager - we would be a car with no driver - so to speak!

And now my definition of group success: (it's simple) T.E.A.M. Together Each/Everyone Achieves More! Management is a little different - Plan, Organize, Staff, Supervise, Control. So, if you don't plan you can't control; and you are not IN control...!

An important part of the 2023 plan is increasing membership. So talk it up and help us grow. More later.

All said - Let's have fun, shoot par, Hole in One and "Gitter Done"!

SECURITY COMMITTEE

Maryellen Klotz

ATTENTION ALL LIONS HEAD SOUTH RESIDENTS

Due to an increase in reported violations, the Brick Township Police Department has advised they will begin to enforce the following violations in 2023, occurring in our community:

* **SPEEDING** – Monitoring of speeders began in January and all violators will be ticketed and fined (NJ State Law).

* **WRONG WAY PARKING** – Parked cars **MUST** face the direction of traffic (Brick Township Ordinance).

* **BLOCKING SIDEWALKS** - Vehicles **CANNOT** block the sidewalks (Brick Township Ordinance).

* **FIRE HYDRANT / STOP SIGN** - Parking too close to a fire hydrant or Stop Sign (Brick Township Ordinance).

* **CIGARETTE BUTTS** - Discarding cigarette butts on street or sidewalk – this is considered **LITTERING** and you will be fined (Brick Township Ordinance).

* **DOG WASTE** - **MUST** be picked up and disposed of properly (Brick Township Ordinance).

Regarding cigarette butts and dog waste, as stated on the LHS robocall, many people now have cameras in front and around their house. Save yourself the embarrassment of being identified as a violator by adhering to the Brick Township Ordinances.

LIBRARY

Janet Pedersen

I would like to use this opportunity to highlight a section of our Lions Head South Library that might not receive as much attention as it deserves. This is likely because it is somewhat smaller than the other sections and is in an “out of the way” area above the return book shelves. However, the Biography section (those books with the blue dots) offers many interesting stories written either by, or about, popular, and well-known celebrities from all walks of life.

At the time of this issue the following life stories are available in our clubhouse featuring: Buzz Aldrin, Julie Andrews, Carol Burnett, Mel Brooks, Johnny Carson, Billy Crystal, Roger Daltry, Carrie Fisher, John Fogerty, Lee Iacocca, Tom Jones, Norman Lear, Mike Love, Rob Lowe, Nelson Mandela, Matthew McConaghey, Bette Midler, Rita Moreno, Robert Redford, Burt Reynolds, Joan Rivers and Barbra Streisand as well as some others.

If reading non-fictional accounts of real people is among your interests, please take a gander through our library’s offerings and learn something new about famous people you may have wondered about.

Happy reading!

SOCIAL COMMITTEE

Lee Bruzaitis

Our new Social Committee began meeting in January. We got off to a late start, with a very small group, so we needed to keep it simple for our first event. We are planning a Potluck International Tasting Night for Saturday, March 18 from 6-10PM. See the flyer in this issue for ticket sale dates.

We thought it would be fun to do an old-fashioned potluck dinner with an international twist. Rather than doing a St. Patrick's theme, we'll celebrate all the nationalities in our community with this international tasting theme. We are asking everyone to bring a favorite ethnic dish to share. It doesn't have to represent your own nationality and you don't have to cook if that's not your thing - you may buy something premade. The ticket price will be just \$6, to cover the cost of decorations, paper products, water, coffee, tea, etc. We hope to see you there!

We will have recorded music for listening and dancing at this event and we thought it would be fun if we could find some talented residents to help us out with some entertainment. Could you perform or lead an international dance or song? Please contact leebruzaitis@gmail.com if you would be willing.

Looking ahead, we are planning future events for April 29th and May 20th so please save those dates! We are considering a Wild West or Prom theme for April and a murder mystery or game show night for May. We are still seeking volunteers to join our committee. Our next meeting will be on Tuesday, March 7th at 1:30 PM.

You can always check the LHS website and our bulletin board in the clubhouse for updates. Find our Social web page at www.lionsheadso.com/social.

OUTDOOR SHUFFLEBOARD

Iris Mahoney

Spring is almost here and outdoor shuffleboard will be beginning before you know it. Wednesday, April 19, 2023, is our beginning date. We will play for 9 consecutive weeks, ending June 14, 2023. Play time is 6:00 pm. Last year was a great success. Hopefully, this year will be even better.

Sign up dates are Monday, March 6th, 13th, and 20th, in the clubhouse, from 9:30 am until 11:00 am. The play fee is \$10.00. If you are interested in meeting your neighbors and having fun, come sign up.

WEBSITE COMMITTEE

Tony Bruzaitis

Visit your website at www.lionsheadso.com.

The Website Committee welcomes Diane Steensen and Barbara Skelly (trustee liaison) to the committee for 2023 and we are still seeking more members. More hands make less work! You do not need technical expertise. Most of our work is centered around gathering information from the clubs and committees of LHS and verifying that the information we have is current.

If you are serving on another committee, perhaps you would be interested in becoming a liaison to the Website Committee by providing updates on their activities, plans, and pictures.

And speaking of pictures ...

ART GALLERY

If you haven't looked already (or lately), take the time to visit our online art gallery which features the works of talented LHS artists in our watercolor and acrylic painting classes. Truly impressive work!

TURF MASTERS

The 2023 Lawn Maintenance Schedule is now available. While the dates are tentative depending on the weather, this will give you a good idea of when fertilizing, weed control, as well as cutting is planned.

THIS WEEK

In addition to the weekly Robocalls, the This Week section provides you with a listing of ticket sales and event sign-ups taking place each week and it's always available on your computer, smartphone, or tablet.

And remember, if you have any information, or suggestions for additions to the website, please email us at web@lionsheadso.com. The information here benefits all residents of Lions Head South.

LHS WOMEN'S CLUB

Mardell Halm and Carol Powell

The Lions Head South Women's Club is off to a great start for 2023! Our unwanted gift auction in January was a great success. Homemade tuna and egg salad, contributed by Marie Castellano, was enjoyed by all. Followed by a selection of homemade cakes, contributed by several bakers among the group, the perfect dessert. Our auctioneer, Zitta Schramm, made bidding fun for all.

February's Horserace Bingo has been a winner in the past and we expect a great meeting again. March will open the meeting to all residents of Lions Head South for regular Bingo. Exciting plans are underway for the entire year. Come join us and see what happens next!

The Lions Head South Women's Club is open to all our female residents, sorry guys, you have your own club!!!! We are currently in need of a Secretary and a Program Chair. If you think you can help in that regard, please contact either of our Co-chairs. You don't need experience; we will be happy to work with you. You just have to be willing to contribute your time and beautiful self!

PRIORITY FOR DRIVEWAY SNOW REMOVAL

As we approach another winter season, we again find it necessary to clarify who qualifies for the Priority Snow Removal list for 2022-2023 winter season. A new request is required every season.

For those who qualify, please submit your request to assure that you will be placed on the priority list. To qualify, a resident must require regular life-sustaining medical treatment, such as chemotherapy, radiation, or dialysis in or outside the home.

A "heart condition" does not qualify. Your request must be accompanied by a **physician script/note** which specifies that life-sustaining treatment for any of the conditions outlined above is necessary. Hand written notes are unacceptable. All information will be kept by the administrator and will be confidential.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician.

Your need to go to work does not qualify for priority snow removal. For this purpose, we suggest you make advance arrangements with a private contractor for snow removal.

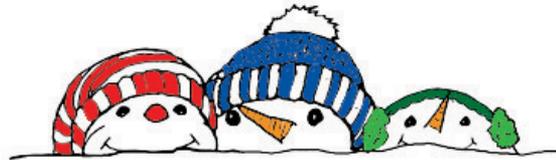

The township will cooperate by plowing our roads so that our contractor can begin work. Of course, the town will continue to respond to any serious problems during storms.

ALWAYS CALL

911 FOR ANY MEDICAL EMERGENCY

Please be sure to keep on hand extra supplies of medications and food so that you do not need to leave the house during or immediately after a snowstorm. The weather predications generally provide ample warning time for making preparations.

Please respond as soon as possible as the winter season will be here soon.
