PRESIDENT'S MESSAGE

John Cinosky

For the most part COVID is behind us. However, there seems to be a post COVID effect that, while it has only affected a small number of residents, it is serious enough that it must be addressed. We, the residents, must be civil to one another. In addition, this behavior has also been directed towards our office staff. Please be reminded the staff continually works diligently too keep this community self-governed at the direction of the Board of Trustees. This year there have been too many incidents of residents disrespecting our staff. **THIS MUST STOP.** So, if you feel something isn't going the way you like it, contact a Board member. We are all tuned in to the community and most likely can help you. If that does not satisfy you, you can appear in front of the entire Board to state your case. We won't bite, I promise.

We would hate, hate to install a Code of Conduct, where violators would be subject to a review board and sometimes even fines. So, please, please be nice!

In other news, Steve Scaturro has stepped down as Chairman of the Architectural Committee, but will remain as a member. Thanks, Steve, for your years of service. Margaret DeFillipo is stepping up and in to take over the reins of Architectural. I know Margaret, and I know she will take us in a positive direction. Please read the Architectural Message in this issue of the Pride. The pool bids for a contract are out and we are waiting for bids to be returned. We have finance in place should we need it.

EDITORIAL

Carol Powell

May just has to be one of the prettiest months of the year. In my humble opinion the weather is almost perfect, much of the time. Flowers and trees are blooming and days continue to grow longer. Here's hoping everyone reading this is able to get outdoors and enjoy. Take a walk, sit on a patio, sit out front of your home and make new friends among the walkers and dog walkers who pass by. Enjoy Lions Head South at it's best!

I have put a lot of effort, over the year that I have been doing this, to making this article a "happy read". Many of you have been nice enough to tell me that you enjoy reading it and that makes me "happy", so thank you. Today I am going to side step a little and get serious for a minute: Please remember that we all live here. These are not houses, these are our homes. That old "golden rule" is still the best way to go, "do unto". 'nuff said, as always, stay safe but most important, stay well!

COUNTRY CLUB

Phil DeCarlo

The essence of spring is upon us! Flowers, leaves, warmth, and a re-awakening of greens, turfs, pars, putts, shanks and hand mashies.

The progress we have made in keeping the course and the clubhouse in top condition will be found in the photos below. The completion of the first stage of the Lady's Tee on Hole 5 is a milestone. Now - I have been told - it must mature and settle before it can be used. Therefore, I ask that you refrain from using it until the course managers have completed any additional work that may be needed. We will post signs when it is ready for play.

As I mentioned last month, your Board members will include topics of interest, concern and "good for the cause" pieces so that we maintain open communications, address our concerns, and achieve our goals.

The following contribution is from your 1st Vice President Robert Jani: Our course is in great shape to begin the season! We have recently completed the following projects; (1) Winter Clean Up of Trash from around our course and leaves have been pushed back into the woods,

(2) New railings have been installed on the Joe Hindley Bridge, (3) The Men's rest room has been renovated and updated, (4) The clubhouse interior has been painted and a new floor has been installed, (5) A NEW ladies tee has been constructed on the 5th hole, (6) The deck around the clubhouse is being replaced and the railings painted, (7) The deck awnings will be installed after the deck is complete and (8) The security system has been updated and our security cameras are working! This is our golf course! We encourage all of our members to help maintain our course! Everyone can help by replacing divots on the tees and fairways (there is sand on each tee to cover up spots where a divot cannot be placed), repair ball marks on the green, place trash and garbage in trash cans, rake bunkers and generally care for your course and please find somewhere else to walk your dog (DOGS ARE NOT ALLOWED ON THE COURSE UNLESS THEY ARE PLAYING GOLF!!)

GARDEN CLUB

Clare Mathiasen

It has been uplifting to see the colors of Spring in our community. All of which motivates us for our summer plantings. Garden Club members will be busy between Mother's Day and Memorial Day. From then on, through September, we will be on a daily watering schedule to ensure all grows well.

The garden centers are once again packed with an endless variety of annuals to choose from, some familiar, some newer hybrids. Whichever you select to plant, hold off until the threat of frost is past. In our area, that is May 15th thru May 30th. Personally, I prefer perennials, but the annuals give us the pop of color and sustainability desired for our summer gardens and pots.

Did you plant the milkweed seeds you received last November? By now they should be sown in ground or if started indoors should be large and strong enough to be transferred outside. As soon as the night temperatures stay above 55° the monarch butterflies will be returning and perhaps our small part in their survival will help deter extinction.

Saving our pollinators is a worldwide endeavor and to further that cause...

...WORLD BEE DAY – MAY 20th

Through the efforts of the Slovenia Government, the United Nations adopted a resolution in 2017 proclaiming May 20th World Bee Day in order to raise awareness of the all-important bee population all over the globe.

How important are these pollinators? They contribute to food and food security. Simply put: no bees – no strawberries, no apples, etc.

How can you, as an individual, help?

Buy hive products – You can celebrate World Bee Day by buying honey, wax, and other hive products. Support your local beekeepers. You can also gift these items to your friends to celebrate the day.

Set up a pollinator farm – A great way to observe World Bee Day is by setting up a pollinator farm on your patio, garden, or balcony. You can either buy one from a home and garden store or make one yourself after watching an online tutorial.

Change your pesticides – Use pesticides that are not harmful to bees. Spray in calm weather, early in the morning or late at night, when bees are avoiding blossoms.

Plant nectar bearing flowers in your garden.

Interesting Facts About Bees

- 1) A single bee only produces about 1/12th to 1/8th teaspoon of honey in its lifetime.
- 2) The queen bee produces approximately 2,000 eggs a day.
- 3) Bees love the color blue. That's why they cluster around rosemary and lavender flowers.
- 4) There are 20,000 different varieties of bees.
- 5) The flower it is forged from determines the color of honey.
- 6) The life span of a honeybee could be as little as 2 weeks for workers or as long as several years for the queen.
- 7) Worker bees are always female.
- 8) Male bees' (drones) sole purpose is to mate. Once this is done, they quickly die.

COMMUNITY AWARENESS

Barbara Mortensen & Deb Rodgers

Hello Lions Head South Residents. We are looking for additional people to join our group. Our meetings are held the second Wednesday of the Month at 10am. The group is responsible for informing our community about what's going on in Brick. You will notice flyers from the Senior Center, Ocean County and the Brick Library posted on the bulletin boards outside the Lion's Den about their current events.

We also find people to come speak at our resident's meetings. If you have any suggestions for speakers, please send them to Barbara Mortensen barbaramortensen10@yahoo.com or Deb Rodgers LDeb10@aol.com

Barbara and I also attend the monthly Senior Mayor's Meeting. This is where we find out what's going on in Brick. You'll be happy to know that our new mayor, Lisa Crate has no plans to change anything that the former Mayor has put in place. She does have some ideas of her own. They haven't been announced yet.

Some of the things we are working on is having AARP come to the community to give us a driving workshop. We are also working with the Brick EMTs to have a class to teach us CPR.

That's all for now. Enjoy the rest of your month!

CLUBHOUSE COMMITTEE

Michael Voto

It's so nice to be welcoming spring and seeing so many new and old residents out and about and getting involved in the many clubhouse activities.

The last two events in the clubhouse were great, the Woman's Club Bingo and Pot Luck International Dinner.

We are very happy to announce that both restrooms will be painted soon. Also 12 new counter height stools were ordered for the Billiard room and will arrive in eight to twelve weeks.

We are sending out a big thank you for all using the kitchen and leaving it spotless. The Clubhouse Committee and maintenance staff appreciate your efforts.

In closing, please be mindful to return all chairs tables, etc., back the way you found them. Thanks for keeping our clubhouse always looking great.

As you walk or drive around the community enjoy all the spring flowers.

LIBRARY

Janet Pedersen

Hello LHS Friends and Neighbors,

Have you been to the clubhouse lately and noticed something different in the fireplace area? Maybe something on the sofa table adjacent to the large library table?

Hopefully you have already seen the "New Arrivals" book selection there. This newest addition has been set up to call attention to recent donations you may miss if they are immediately placed on the surrounding library shelves upon donation.

Temporarily placing these 'new arrivals' in this separate location will give everyone an opportunity to see donations as soon as they become available. These books will likely stay in this new section for a few weeks before they are finally placed in their corresponding areas on the wall shelves.

As a reminder, all residents are enthusiastically invited to take advantage of the large and varied selection of hard-cover and paperback books, condensed books, cookbooks, audio books, movie DVD's, periodicals, magazines and jigsaw puzzles offered in our clubhouse. There is never a need to sign anything out and no time limit imposed on their use. Of course, returning things in a timely manner is always appreciated to allow for other's enjoyment of these items.

The Lions Head South Library is also very willing and grateful to accept donations. Due to our limited space, we can only accept books whose copyright dates fall within a current 10-year period. In other words, please check the first few pages of your donations prior to drop off and only give us those books whose copyright date falls between 2013 through 2023 (except for cookbooks, biographies & non-fiction which are all accepted). All types of jigsaw puzzles are also appreciated except those missing any pieces. Placing jigsaw puzzle pieces in a ziplock bag within their box prior to donating will help keep all the pieces secure. Also in the case of a large donation, please leave items in a bag on the floor under the library windows.

Thank you and happy reading!

WOMEN'S CLUB

Mardell Halm and Carol Powell

The Lions Head South Women's Club is off to a great start for the first quarter of 2023. Our Bingo in March was a smash hit followed by the Fashion Show in April that I am hearing nothing but enthusiasm for. (As of when I am writing this, it has not yet happened.) Plans for May include a visit and luncheon provided by Shorrock Gardens who always make for a fun and interesting meeting. June is our month to celebrate the halfway point in the year and dine out together. This year's luncheon will be at Brooklyn Bistro in Toms River. Details available soon. Mark June 21st, at noon on your calendar, you will want to be there. So, it appears the second quarter of the year will match, or exceed, the first. If you are not already a member, consider joining us. We do have fun!

RECREATION

Carol Adams

Spring cleaning accomplished at horseshoe pits and ready for play. Horseshoes can be found underneath the canopy next to the pits. Why not test your skills, game rules below!

Rules of the game:

1. Each player pitches both shoes followed by the opponent's two shoes.
2. In pitching a shoe, the player may not cross the foul line.
3. When playing teams, half the team throws from one stake and half throws from the other.
4. Games can be played to 40 points in a point limit game or 40 shoes in a shoe limit game. In the shoe limit game, the player with the highest points wins. If a tie exists then each player can take a half win or a two inning tie breaker can be thrown.

Scoring:

1. Any shoe must be within one horseshoe-width (measured across the outside of the open end of the shoe) of the stake to be considered for points. (Official rules call for 6 inches max).
2. The closest shoe to the stake gets 1 point.
3. If you have two shoes closer than any of your opponent's, you get 2 points.
4. Ringers are worth 3 points each and must completely encircle the stake so the ends can be touched with a straight-edge without touching the stake.
5. If you have the closest shoe and a ringer, it's 4 points.
6. If your opponent throws a ringer on top of yours, they cancel, and no points are scored.
7. Leaners are worth 1 point and are considered closer than any adjacent shoe except ringers.

Visit our website at www.lionsheadso.com.

Spring and summer are sure to bring visitors to the shore. What do you do when you have out of town relatives or friends come to visit? We know the Jersey shore is a wonderful place, but sometimes you just run out of ideas.

Our *Area Activities* pages lists a number of venues (theaters, concerts, parks, etc.) in and around Brick. No matter the season, you can find much to do even if you do not have guests. And as we have just begun putting this list together we would appreciate your suggestions for additional activities. Just email us at web@lionsheadso.com or drop us a note at the office.

And don't forget to look at the *Travel, Social, and Recreation* committee pages. There's a lot going on and these committees are publicizing it on the website.

Just a reminder that our committee is now meeting on the third Monday of the month at 10am at the clubhouse and every other month we are meeting at 7pm in the evening so those that are not available during the day can join us. Check the calendar for meeting days and times. Please join us then to learn what we do and how you can be a part of the committee. You do not need to be a computer wiz. If you can view a webpage you can help us.

If you have not visited our website lately, take a few minutes to explore the other resources we have added. And if you have any suggestions for additions to the website, email us at web@lionsheadso.com.

As I am writing this in late March, our Prom Night has not yet occurred but hopefully it was a fun time for everyone, and we'll have some great pictures next month. Our International Potluck Tasting Night was a huge success and I want to thank everyone who attended for all of the delicious food - we had so much we needed to add an extra table for it! Thank you also to our wonderful Social Committee (Maureen Benesch, Sandy Hamaydi, Diane Steensen, Linda Parlock, Rose Szpara, Tony Bruzaitis, and Chuck Florio) for all the work they did to pull off these events. We have a great team!

Looking forward, we are planning a 4th of July event on Sunday, July 2 and a Halloween Party on October 28.
