

Joanne Gilmour

My reason for running for the Board of Trustees is to use my accumulated life skills to assist with the continued improvement and growth of The Lions Head South community. I feel I could help build trust, support and an increased sense of belonging among my fellow residents. Being a successful Board Member requires patience, flexibility and a desire to do what is best for our community. I am a wife, mother and grandmother. I have a Bachelor of Arts from the College of Charleston, A Master of Administrative Science from Farleigh Dickinson University and a Certified Public Manager, I, II and III from the State of New Jersey, where I was employed for thirty-one years. I retired from the State as Director of Rehabilitation Services - Program Development Specialist I. I have served as a Block Watch Captain in a former town that I lived in and was on the Board of Trustees for the Ann Klein Forensic Center, State of New Jersey. I pride myself on being an active listener, displaying a positive mindset with good communication skills. I am responsible, flexible, organized and dedicated to any task that I assume responsibility for.
