

Dear Residents of Lions Head South:

Hi everyone, I'm Charlie Facciponti. Looking to be one of the seven trustees on the Lions Head Board of Trustees. I've been involved with indoor shuffleboard, meeting people and listening to what they want to talk about. I also play bocce and manage outdoor shuffleboard. On Tuesday nights, I play cards in the den. In the summer I enjoy the pool again listening to people telling what they like and dislike about LHS.

If elected, I would bring up concerns that were brought to my attention. Some residents are happy the way we keep moving forward and then some people are disappointed in one way or another. I want to hear all the trustee's problems that they are aware of and give my opinion and expect them to listen to what I have to say.

I think bringing new ideas to the meetings will be helpful and let's see where it goes from there. Some of the issues that have been discussed are good and some are uncomfortable. The more I listen to resident's concerns, the more I feel like helping with these areas and resolve these issues.

Issues will always come up and need to be addressed. Always remember the resident comes first within reason. Hoping to see the results in the ballots that puts your trust in me and on the board would be nice to again help out.+

Thank you for listening,

Charlie Facciponti- six years
in Lions Head South
